JUSTIFICATION STATEMENT FOR DESIGN SELECTION

University of Utah
Warnock Engineering Building – Design Selection
DFCM Project No. 01284750

The selection committee expresses its appreciation to all firms that have submitted for the Warnock Engineering Building Design Selection. From the firms that submitted, the selection committee decided that Anshen+Allen, Inc. / Prescott Muir Architects would provide the best value to the University of Utah and to the State of Utah.

The selection was very close and discussed for several hours. The final factor was the team had more relevant engineering experience, they had a good concise organization that was focused on the specific project issues and they had very good specialty people.
